CASEY MILLER
LINCOLN COUNTY COMMISSIONER

Prepared Communities

#PreparedCommunities / Campaign Toolkit

RECORD OF SERVICE | 2023-2026

Animal shelter READ FULL SECTION

Throughout 2023 and into 2024, I regularly participated in the County team developing a new Lincoln County Animal Shelter - working through site selection, land-use requirements, utilities, emergency needs, animal-care spaces and the practical details needed to turn the idea into a buildable project.

Broadband READ FULL SECTION

When I entered office, I participated in regional broadband planning and supported County investments in coordination, engineering and grant readiness.

Emergency preparedness READ FULL SECTION

In May 2024, I took part in Lincoln County's two-day Evacuation Assembly Point exercise, spent the overnight portion at the site with responders and partners, and represented the Board there.

Fireworks safety READ FULL SECTION

The Board adopted Ordinance 532, restricting the sale, possession and use of consumer fireworks in unincorporated Lincoln County while retaining permitted public displays.

NEXT-TERM GOALS

Infrastructure READ FULL SECTION

Make sure Lincoln County has the physical infrastructure people, communities and businesses need - and plan for it before systems become barriers or emergencies.

County resilience READ FULL SECTION

Treat emergency readiness as year-round work - strengthening the people, plans, equipment, infrastructure, communications and partnerships Lincoln County will depend on when something goes wrong.
