CASEY MILLER
LINCOLN COUNTY COMMISSIONER

The Working Coast

#WorkingCoast / Campaign Toolkit

RECORD OF SERVICE | 2023-2026

County parks READ FULL SECTION

In 2023, I moved to approve Ordinance 531 and then moved to send Measure 21-220 to Lincoln County voters.

Community investment READ FULL SECTION

During this term, the Board continued using Community & Economic Development Grants, Nonprofit Social Service allocations and Emergency Preparedness Matching Grants to extend the reach of County resources through organizations already embedded in Lincoln County communities.

RV abatement READ FULL SECTION

The Board approved an Abandoned RV Abatement Program with an initial $500,000 from Solid Waste District reserves.

Forest policy READ FULL SECTION

I have spent substantial time representing Lincoln County in forestry discussions through the Forest Trust Land Advisory Committee, O&C lands work, the Oregon Small Woodlands Association, Habitat Conservation Plan discussions and federal BLM coordination.

Climate and stewardship READ FULL SECTION

My approach has been that County government should look at its own practices before telling the community what it should do.

Herbicide concerns READ FULL SECTION

I stayed engaged with residents, forestry officials, the Seal Rock Water District and others rather than treating the jurisdictional limitation as the end of the conversation.

Short-term rentals READ FULL SECTION

In my first months as commissioner, the Board implemented seven geographic subareas and licensing limits under the County's STR framework.

NEXT-TERM GOALS

Working coast READ FULL SECTION

Build economic policy around the economy Lincoln County actually has - and protect the assets that make it possible.
